It is with a myriad of emotions that we write our 1<sup>st</sup> quarter news update at SGA Canada. There have been many changes in a short period of time.

The physical move from Cobourg to Cambridge was completed by July 30<sup>th</sup>. We took our first load over to the SGA office on July 23<sup>rd</sup> with help from Barry Gray. The 2<sup>nd</sup> load was packed on July 29<sup>th</sup> with some great workers. We blew a tire just 4 km from Cambridge, but “limped” it in. Saul

from Guatemala replaced our tire in short order. We had a great opportunity to talk to him about the Lord and our ministry.

Unpacking is going well and we both realized life has brought us to a new place in Christian service. Weekly duties have changed dramatically from being a pastor to a mission director. We are excited about the possibilities for the future.

### *Trip to Russia & Ukraine*

**Psalm 96:3**  
***Declare His  
glory among the  
nations, His  
marvelous works  
among all the  
peoples!***

Our inaugural trip to Russia and Ukraine at the end of June expanded our vision of the tremendous needs and opportunities. Meeting church planters and regional pastors humbled us to see their incredible commitment under difficult circumstances. Never did we ever think we could visit soldiers near the front lines but we saw God open barricades.

A bridge of hope to Russia.

## Fall Season

The fall season includes hosting 6 excellent Russian church planters on a tour of some Quebec church plants and having a Ukrainian seminary president and his wife speak in several churches around Ontario. Our annual banquet will be held this year at Heritage College & Seminary in Cambridge on Friday, October 30<sup>th</sup> at 7 pm. Why don't you consider coming to hear of God's goodness?

## On a personal note ...

On the home front, our daughter Kim's wedding takes place on Saturday, September 19<sup>th</sup> to Dan Bennett at Forward Church in Cambridge. Chris and Karyn, along with Will & Addy, are traveling from South Sudan for the big event. They will be with us for the month of September.

## Looking Ahead

One thing that hasn't changed is our pace. God has given us both good health and we seek to serve Him as He gives strength and wisdom. Should you know of a place where we could share about SGA, contact us and we will set a date.

Bill heads back to Russian & Ukraine in November before winter. Plans are being made for a church building project in May 2016 in Uman, Ukraine. A full team of workers is needed so let us know if you are interested.

## Support

*Your support of our new ministry in prayer and finances are both appreciated more than words can express. We are humbled by the thought that God would work through us. Pray for our workers in these Slavic countries as we represent them in Canada.*

Blessings to each of you,

*Bill + Judy*
