December 2015 Newsletter

As we write this update, Halloween is history and Christmas preparations are well underway. Mission ministry versus pastoral ministry takes on a different schedule during this season. Allow us to review and rejuvenate your soul for the Slavic world.

QUEBEC

We traveled to Quebec with 5 excellent pastors from Russia to study and consider how the SEMBEQ style of “Coaching” could be adapted overseas. It was then off to a number of churches to see how the theory actually works. Some wonderful friendships were developed.

UKRAINIANS IN ONTARIO

Seminary President Igor & Lena Yaremchuk came to share in Southwestern Ontario about Irpen Biblical Seminary. Their warmth and genuine love for God was met with great enthusiasm. New partnerships have begun as a result.

RUSSIA, UKRAINE & GEORGIA

17 days in November were spent visiting partners and receiving first hand reports of God's blessing. We taught at a missions' school, preached several times, attended 2 pastors' conferences, developed building plans in Ukraine and visited a medical clinic in Georgia. Much time was spent listening to the hearts of sincere servants.

NEW YEAR

Nikolai, Project Manager in Uman

Plans are underway for a church building project next May in Ukraine. While there we met with the Uman team. They are ready! Now we need to pray for God to form a top notch group of workers. The last 2 weeks of May will see a full church seating 150 being built. Funds are

also needed for materials and related costs (\$40,000.00). If you are interested to give or go, please contact us now!

Travel to numerous churches here in Canada will be our monthly routine, telling the story of these sacrificial labourers.

PERSONAL

We appreciate your prayers for power to fulfill the task of kingdom building. There is still a need to raise personal support while caring for our church planters who give beyond our comprehension.

We praise God for good health and energy to serve unrestricted. The family are

all back to their respective homes and serving God here in Ontario and South Sudan.

Judy & I wish you and your families a very Merry Christmas and a Happy New Year!
