To our friends --

There is one constant in life and that is change!

For 35 years we have been privileged to serve as a pastor and wife team in local churches around Ontario. While doing so we have supported many mission endeavours in various countries.

God has challenged us to step out of our 'comfort zone' and be directly involved in a cross cultural context. We have said, "yes" to become the next Executive Director of the Slavic Gospel Association in Canada. Our ministry transition began May 1, 2015 and entails a move to Cambridge pending the sale of our house in Cobourg.

The founder of SGA was Peter Deyneka, nicknamed "Peter Dynamite", who had as his motto, "Much prayer, much power; little prayer, little power; no prayer, no power." We require prayer and financial supporters for the ministry and personally to partner with us in this new opportunity. While the doors are open in the CIS we are willing to step through.

Our responsibility is to assist church planters in Russia and Ukraine through a variety of efforts such as teacher training, projects, people ministries, literature, etc. These national pastors, however, have little means to accomplish the task and need our help. We, along with the present director and his wife, Allan & Lynne Vincent, will be visiting a number of these key leaders from June 15-30 to encourage and renew contacts.

Will you say "yes" and become part of our team in spreading the Good News in the Slavic world? We require Bible teachers and construction workers on a regular basis. To acquaint yourself more with this worthy ministry check out the SGA website at www.sgacanada.ca or connect with us. Bill's cell number is 905-396-8381 and his email is billb@sga.canada.ca.

We are thankful that God does not change. He is a constant, remaining faithful to all who seek Him.

"Now it is required that those who have been given a trust must prove faithful." 1 Corinthians 4:2

Yours for His Kingdom,

Bill + Judy
