Summer Camp at Elim Lodge - Aug. 13-20

We represented **SGA** at Elim Lodge as missionaries of the week. Together with Dr. George Murray of Columbia-International University, we ministered to many families during the vacation season. Trevor Dyck performed a special electric violin concert for us.

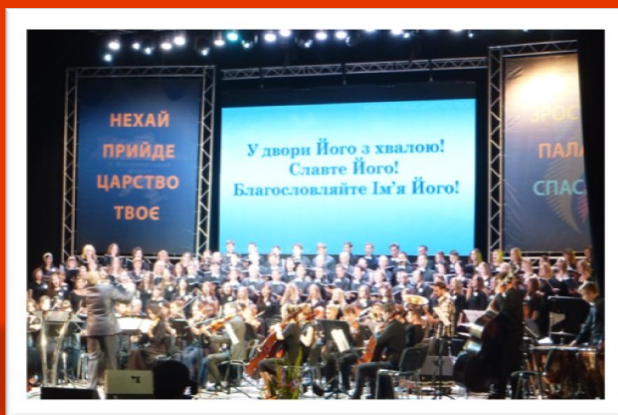

Ukraine Trip—August

A return visit to Ukraine allowed Bill to attend the Second International Missions Forum held in Kiev with about 2,000 guests from around the globe.

The premise was to discover how Ukraine can become a mission sending force.

The 2nd half of our time was a visit to Lviv in western Ukraine.

We connected with our school and a number of church planters. The Bible school is 370 strong and feed over 100 refugees every day. One of our planters is constructing a home for seniors next to the church. The project has been ongoing for 6 years and still needs windows and doors.

Family

Dan & Kim have settled into good jobs in construction and dental assisting respectively. They are saving for a home to purchase in a very hot market and celebrating their 1st anniversary on September 19.

Chris & Karyn, Will & Addy, have evacuated to Nairobi, Kenya with unsettled times in South Sudan. Chris continues to fly into South Sudan on alternate weeks providing much needed resources.

Judy leaves October 4th for a 5 week visit to Kenya. Bill has speaking engagements in the Maritimes, then leaves October 25th for Africa as well. Both of us are looking forward to this special trip!

Ride for Refuge

On October 1st, Bill, along with a few others, will participate in this large event. Over 200 ministries are represented, raising funds through walking 5 kilometers or cycling 10, 25 or 50 kilometers. Bill has chosen to cycle 25 kilometers and Judy will walk 5 kilometers with some other ladies. If you wish to contribute, please give on line through Ride for Refuge.—Slavic Cyclers.
